**Karton Axis Global**  
World-Class Packaging  
Solutions\*(Your Trusted  
Packaging Global Supplier and Exporter)

Good quality packaging protects the product, enhances its appeal, and builds trust with consumers. It also helps in brand recognition and can improve the overall customer experience, influencing buying decisions.

## About Us

**At Karton Axis Global(Your Trusted Packaging Global Supplier),** we are more than just a packaging supplier—we're a trusted partner in the global supply chain. Specializing in high-quality **packaging products** and **import-export services**, we cater to businesses across industries and borders.

From **corrugated boxes, Wooden Pallets** and **stretch films** to **jute bags and LDPE mailers**, our diverse product range ensures your goods are securely packaged for storage, transport, or shipment. With our expertise in international trade, we ensure seamless delivery of top-notch packaging solutions to meet your business needs worldwide.

**Think Packaging, Think Global** —Choose **Karton Axis Global** for all your packaging domestic and international trade needs!

## Our Mission

"Dedicated to quality and innovation, providing innovative and sustainable solutions that empower our customers to achieve their goals while promoting a culture of excellence and integrity."

## Our Vision

"To be a global leader in our industry, recognized for our commitment to quality, customer satisfaction, and continuous improvement."

## Core Values

Our core values of integrity, innovation, and customer satisfaction guide every aspect of our business. We provide products that not only meet but exceed industry standards.

## Why Choose Us

### Quality Assurance:

Our products are manufactured using the highest standards to guarantee reliability, performance.

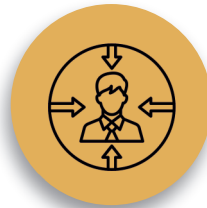

### Competitive Pricing:

We provide cost-effective solutions without compromising on quality.

### Fast Delivery:

We prioritize timely deliveries to keep your operations running smoothly.

### Customer-Centric Approach:

Our team of packaging experts is always available to offer personalized guidance and support.

### Eco-Friendly Options:

We are committed to offering sustainable packaging choices to help you reduce your environmental impact.

Industries We Serve From retail and e-commerce to manufacturing and logistics, our packaging solutions cater to businesses in a variety of sectors. Whether you're shipping fragile products, bulk items, or need branded packaging, we have the right solutions for you.

## Our Products & Services

We offer a comprehensive range of packaging materials, including:

### Custom Packaging Solutions:

Tailored designs for product protection and brand enhancement.

### Boxes & Cartons:

Corrugated, rigid, and folding cartons for all types of goods.

### Wooden Pallets:

Durable platforms used for stacking, storing, transporting goods efficiently.

### Stretch Films & Shrink Wrap:

Reliable and secure stretch and shrink film options for your products.

### Agricultural Mulch Film:

Enhances crop growth by conserving moisture, controlling temperature, and suppressing weeds.

### Bubble Wrap & Protective Materials:

High-quality bubble wraps, foam rolls, and air cushions for maximum product safety.

### Packaging Tapes:

Strong, durable, and adhesive tapes for sealing packages with ease.

### Eco-Friendly Packaging:

Sustainable options for businesses looking to reduce their carbon footprint.

We understand that packaging plays a vital role in ensuring product safety during transit and enhancing your brand's presentation. That's why we focus on quality, consistency, and cost-efficiency in every product we offer.

# PRODUCT DETAILS

**Corrugated Boxes**  
[HS Code-48191010]

**Features:** Durable, lightweight, moisture-resistant, customizable, eco-friendly.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed, Laminated.  
**Color:** White, Transparent, Custom Colors.  
**Application:** Agriculture, Industrial, Retail, Food Packaging  
**Material:** Polypropylene (PP) woven fabric  
**MOQ:** 500-1000 pieces.  
**Extras:** UV protection, gussets, BOPP lamination, handles

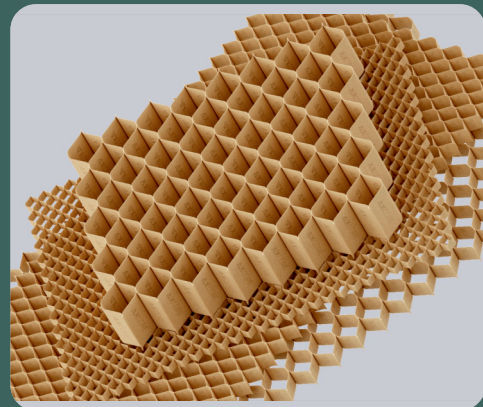

**Box Of Non-Corrugated**  
[HS Code-48192020]

**Features:** Durable, lightweight, foldable, customizable, eco-friendly.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed, Die-cut.  
**Color:** Brown, White, Custom Colors.  
**Application:** Retail packaging, Gift boxes, Product displays, Storage.  
**Material:** Solid board, Kraft paperboard.  
**MOQ:** 500 - 1000 pieces (varies by size and customization).  
**Extras:** Custom shapes, branding options, premium finishes.

**Paper Bag**  
[HS Code-48194000]

**Features:** Eco-friendly, durable, lightweight, biodegradable, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed, Kraft, Laminated.  
**Color:** Brown, White, Custom Colors.  
**Application:** Retail, Grocery, Gift Packaging, Food Delivery.  
**Material:** Kraft paper, Recycled paper.  
**MOQ:** 500 - 1000 pieces.  
**Extras:** Handles (rope/flat), custom branding, premium finishes.

**Honeycomb Paper (Ecofriendly rolls)**  
[HS Code- 48089000]

**Features:** Lightweight, strong, eco-friendly, shock-absorbent, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Custom-cut.  
**Color:** Natural, Brown, Custom Colors.  
**Application:** Packaging, Protective wrapping, Cushioning, Shipping.  
**Material:** Recycled paper or virgin paper.  
**MOQ:** 500 kg (varies by size and customization).  
**Extras:** Custom sizes, perforated options, branded printing.

## Shredded/Filler Paper [HS Code-48201090]

**Features:** Lightweight, soft, eco-friendly, recyclable, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Crinkled, Straight-cut.  
**Color:** White, Brown, Custom Colors.  
**Application:** Gift packaging, Cushioning, Decorations, Craft projects.  
**Material:** Paper (recycled or virgin).  
**MOQ:** 500 kg (varies by customization).  
**Extras:** Custom colors, biodegradable options, premium textures.

## Edge Protector [HS Code- 48239090]

**Features:** Strong, impact-resistant, lightweight, eco-friendly, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed (branding optional).  
**Color:** Brown, White, Custom Colors.  
**Application:** Pallet stabilization, Edge protection during transit, Packaging reinforcement.  
**Material:** Recycled cardboard, Kraft paper.  
**MOQ:** 500 pieces (varies by size and customization).  
**Extras:** Custom lengths, thickness options, waterproof coating available.

## Paper PULP egg Tray [HS Code-48237010]

**Features:** Eco-friendly, biodegradable, durable, lightweight, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Custom Molded.  
**Color:** Natural, Brown, Custom Colors.  
**Application:** Packaging, Food industry, Electronics, Pharmaceuticals, Gifts.  
**Material:** Paper pulp (recycled or virgin).  
**MOQ:** 500 - 1000 pieces.  
**Extras:** Custom sizes, shapes, branding options.

## Wooden Pallets [HS Code-44152000]

**Features:** Strong, durable, stackable, reusable, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Standard, Custom Designs.  
**Color:** Natural Wood, Brown, Custom Stains.  
**Application:** Shipping, Storage, Transport, Industrial use.  
**Material:** Wood (Pine, Hardwood, or Custom Wood Types).  
**MOQ:** 500 - 1000 pieces (varies by size and customization).  
**Extras:** Custom sizes, heat-treated under ISPM 15 norms for export, branded logos.

**Jute Bag**  
[HS Code-63051030]

**Features:** Eco-friendly, durable, reusable, lightweight, breathable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed, Woven.  
**Color:** Natural, Brown, Custom Colors.  
**Application:** Shopping, Grocery, Gift packaging, Promotional use.  
**Material:** Jute fabric.  
**MOQ:** 500 - 1000 pieces.  
**Extras:** Custom sizes, handles (rope/flat), branding options.

**Jute Sacking Bags**  
[Hs code- 63051040]

**Features:** Durable, breathable, eco-friendly, strong, reusable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Woven, Custom Printed.  
**Color:** Natural, Brown, Custom Colors.  
**Application:** Agricultural products, Food grains, Cement, Packaging.  
**Material:** Jute fabric.  
**MOQ:** 500 - 1000 pieces.  
**Extras:** Custom sizes, branding options, UV protection.

**PP Woven Bag**  
[HS Code-39232990]

**Features:** Durable, lightweight, moisture-resistant, customizable, eco-friendly.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed, Laminated.  
**Color:** White, Transparent, Custom Colors.  
**Application:** Agriculture, Industrial, Retail, Food Packaging.  
**Material:** Polypropylene (PP) woven fabric.  
**MOQ:** 500 - 1000 pieces.  
**Extras:** UV protection, gussets, BOPP lamination, handles.

**PP Leno Bag**  
[HS Code- 39269080]

**Features:** Lightweight, breathable, durable, reusable, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Mesh, Printed.  
**Color:** Natural, Transparent, Custom Colors.  
**Application:** Agriculture (vegetables, fruits), Firewood, Industrial packaging.  
**Material:** Polypropylene (PP) leno mesh fabric.  
**MOQ:** 500 - 1000 pieces.  
**Extras:** Drawstrings, UV protection, branding options.

## Air Bubble Sheet

[HS Code-39201019]

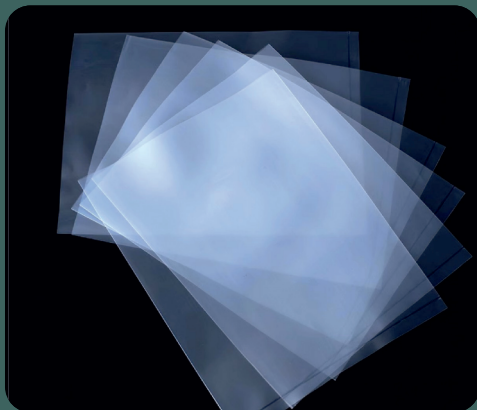

**Features:** Lightweight, shockproof, moisture-resistant, flexible, reusable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Perforated, Custom Rolls.  
**Color:** Transparent, White, Custom Colors.  
**Application:** Packaging, Cushioning, Insulation, Fragile item protection.  
**Material:** LDPE (Low-Density Polyethylene).  
**MOQ:** 500 kg (varies by size and customization).  
**Extras:** Anti-static options, custom sizes, laminated sheets.

## Stretch Films

[HS Code- 39201099]

**Features:** High stretchability, tear-resistant, transparent, moisture-proof, secure packaging.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Pre-stretched.  
**Color:** Clear, Black, Custom Colors.  
**Application:** Pallet wrapping, Bundling, Product packaging, Shipping.  
**Material:** LLDPE (Linear Low-Density Polyethylene).  
**MOQ:** 500 kg (varies by size and customization).  
**Extras:** Custom sizes, perforated options, hand or machine grade.

## LDPE plastic Bag

[HS Code-39011010]

**Features:** Lightweight, flexible, waterproof, durable, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed.  
**Color:** Transparent, White, Custom Colors.  
**Application:** Retail, Grocery, Packaging, Shipping.  
**Material:** Low-Density Polyethylene (LDPE).  
**MOQ:** 500 - 1000 pieces.  
**Extras:** Custom sizes, handle options, biodegradable options.

## Agriculture Mulch Film

[HS Code- 39201092]

**Features:** UV-resistant, moisture-retaining, durable, eco-friendly, improves crop yield.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Perforated.  
**Color:** Black, White, Clear, Custom Colors.  
**Micron:** 21,25,30,50,100  
**Length:** 400 Mtrs  
**Width:** 3 feet/1 m, 1.2 m, 1.5 m  
**Application:** Crop protection, Weed control, Soil temperature regulation, Agriculture.  
**Material:** LDPE (Low-Density Polyethylene) or HDPE (High-Density Polyethylene).  
**MOQ:** 300 - 500 pieces. (varies by size and customization).  
**Extras:** Custom sizes, thickness options, biodegradable options.

## LDPE Mailers

[HS Code-39012000]

**Features:** Waterproof, tear-resistant, lightweight, secure, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed.  
**Color:** White, Grey, Custom Colors.  
**Application:** E-commerce, Retail, Courier, Shipping.  
**Material:** Low-Density Polyethylene (LDPE).  
**MOQ:** 500 - 1000 pieces.  
**Extras:** Self-adhesive seal, tamper-proof, bubble-lined options.

## Aluminum Foil

[HS Code-76071190]

**Features:** Lightweight, heat-resistant, flexible, moisture-proof, recyclable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed (custom branding).  
**Color:** Silver, Custom Colors (for printed options).  
**Applications:** Food packaging, Cooking, Insulation, Wrapping, Pharmaceutical packaging.  
**Material:** Aluminum.  
**MOQ:** 500 kg (varies by size and customization).  
**Extras:** Custom thickness, embossed options, food-grade quality.

## BOPP Self-adhesive tapes

[HS Code- 39199090]

**Features:** Strong adhesion, durable, tear-resistant, weatherproof, customizable.  
**Business Type:** Supplier, Exporter.  
**Pattern:** Plain, Printed (custom branding).  
**Color:** Transparent, Brown, Custom Colors.  
**Application:** Packaging, Sealing, Carton Box Securing, Branding.  
**Material:** BOPP (Biaxially Oriented Polypropylene) with acrylic adhesive.  
**MOQ:** 500 - 1000 rolls (varies based on size and customization).  
**Extras:** Custom widths, lengths, and printed logos.
